RAISING FUNDS

The LIONS serve the community in many ways, by helping those who need a helping hand, by engaging with schools, scouts, guides and other organisations that work with the youth and the needy.

This is a picture of the spectacular fancy dress fundraising Boxing Day Dip in the North Sea. It is said to be the largest in Europe with over 1000 dippers who raise in the region of £60,000 for 80 or so charitable organisations

CASINO NIGHTS

Every year we run a number of 'FUN' Casino Nights to help other organisations raise funds.

RECYCLING SPECTACLES

LIONS collect used spectacles and hearing aids. These are then cleaned and repaired and then distributed throughout the world to people who need these items but are unable to buy them.

As a volunteer organisation, every pound raised for charity goes directly to charities.
